The Weather

FOR KENTUCKY—Partly cloudy and continued warm Saturday.

Mayor Head of Louisville will be inaugurated Tuesday, November 17, and a political house cleaning will begin.

Hanbery's majority in Trig was increased by the later returns to 499, making his unofficial majority in the district 1,985.

Maj. Horace Bell, of San Francisco, Cal., was a few days ago married to Mrs. Emily Culver, the owner of Culver Institute, a big military school in Indiana.

The Good Roads amendment was defeated in Henderson county by 768 majority, although Henderson has about the poorest mud roads in the State.

Maj. David Ward Sanders, who was one of the most eminent attorneys of the state, a Confederate veteran and uncle of Gov. E. V. Noel, of Mississippi, succumbed to Bright's disease in Louisville this week, aged 73.

Hancock county went Republican as an exception to the Democratic landslide rule this year. The Democrats elected only one officer, the county judge. Even the city council of Havesville is a tie with a Republican mayor.

Chas. F. Heilman, Republican candidate for mayor of Evansville, was elected over John J. Nolan, Democrat, by a majority of 244 votes. The victory of Heilman was a surprise to the majority of the voters, as it was conceded that Nolan would win by an overwhelming majority.

General Manager Ewing is out in a nine column letter in the Springfield Herald opposing loose sales. Col. Ewing should realize what everybody else has long since realized that the association cannot live with out a radical change in its methods of marketing tobacco. As a compromise between the warehouse system and the barn-door sale, the loose floor has apparently come to stay.

The Owensboro Inquirer and other Democratic papers are making a mistake in attributing the Democratic victories to a repudiation of Gov. Willson's action in calling out troops to suppress the night riders. Everybody in Western Kentucky, excepting the night riders and their sympathizers, endorses the action of both Gov. Beckham and Gov. Willson in using the State troops to restore order and peace. Following the Hopkinsville raid, Gov. Beckham ordered out the first troops and Gov. Willson continued them in the field when he assumed office. Hopkinsville, which went Democratic in the Finn-Haswell race, in the face of a large Republican majority, is above all things a law and order city. There is not a man in the city government who does not stand for law and order and the people stand with the officers. Christian and other counties went Democratic because the people are tired of Republican misrule in Kentucky and not because they wished to repudiate the one redeeming feature of Gov. Willson's unpopular administration.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by H. H. Catarrh Cure. Send for circulars free.

McKenzie Moss, a native of this county, and a former Democrat, was elected circuit judge as a Republican in the district composed of Warren, Butler, Allen and Edmonson counties. He is a nephew of the late Hon. James A. McKenzie. He succeeds Judge Galloway, a Republican.

Judge Redwine was elected Circuit Judge again in the Breathitt county district, carrying Breathitt county by 515 and the district by 767. Johnson, Democrat, wins for commonwealth's Attorney by 618. Hogg, senator, and Hill, representative, also rode in on the Democratic tidal wave in that mountain district.

A farmer at Seattle, Washington, has hit upon the plan of raising square melons by placing the growing melons in cube-shaped boxes. The demand is not so much for a square melon as for a square dealer, who will not sell a melon that is green.

Three football players were killed last Saturday, one at Kokomo, Ind., one at Philadelphia, and the third, Byne, of Kentucky, at West Point, Wilson, of Covington, Ky., the naval cadet, paralyzed from a spinal injury, is to be operated upon to-day.

San Francisco turned down Heney, the reform leader, by 13,000 majority for district attorney and elected Chas. M. Fickert, P. J. McCarthy, Union Labor candidate, was elected Mayor by 80 10 majority.

The proposed constitutional amendment in Maryland disfranchising illiterate negro voters, was defeated by the heavy majority against it rolled up in Baltimore, which has a colored population of 70,000.

President Taft was in Georgia this week and is expected to reach Washington next Wednesday after his swing round the circle.

Sanders E. Clay, the new county attorney of McCracken county, is a son of Hon. Jas. F. Clay, of Henderson, former Congressman.

Rom Salmon's majority in Hopkins county for Senator was 1096 and in the district it is nearly 1,700. As a runner, he has beat all records.

Eli Berry, formerly steward of the Western Asylum, will be a member of the next Legislature from the city of Owensboro.

The Republicans hold the New Jersey Legislature.

Head's majority in Louisville is 2,361.

Gaynor's plurality for Mayor of New York is 73,016.

To Play Madisonville.

The H. H. S. football team will go to Madisonville today to play the Madisonville High School team on their home grounds. The Madisonville team was recently defeated here and the second game is expected to be close and exciting. A bunch of rooters will go with the boys at 10 o'clock.

CONGRESSIONAL RACE

Kinchloe Withdraws in the Interest of Givens.

Madisonville, Ky., Nov. 5.—Hon. D. H. Kinchloe, of this city, has withdrawn from the Congressional race, leaving the field to Messrs. Stanley, Givens and Clements.

Mr. Kinchloe issues a very graceful card to the Democrats of the district, giving his reasons for his action. He refers to the fact that he regards it suicidal for Judge Givens and himself both to run from the same county and says: "I don't want to be in the attitude of embarrassing the Democracy of my home county or stand in the way of Hopkins county having the Congressman if possible."

Control Your Fat.

One can now take off and keep off extra fat at will. If you have an over-fat abdomen or double chin you can clear it away completely without a minute's bother, exercising or dieting. Take a teaspoonful after meals and at bed time of this mixture: 1/4 oz. Marmola, 1/4 oz. Fluid Extract Cascara Aromatic and 3/4 oz. Peppermint Water—any druggist has them—and go on eating as best please you; don't worry about results. The double chin and ponderous stomach will soon show signs of melting away. They will not sag or wrinkle, however; just go down nice and smooth and even. That effect is due to the harmless natural action of the mixture. This is explained as follows: Blame overfatness to the stomach. It is getting lazy. Instead of making energy and muscle from your food, it is manufacturing fat. The above mixture corrects this defect and hence it makes you stronger and healthier at the same time it is taking off of you 12 to 16 ounces of useless fat a day. The reason it effects double chins, hips, etc., first is because the fat on them is softer and can not resist the remedy as long as that on the limbs. But eventually all the fat has to go if you keep up the treatment.

PEMBROKE OFFICERS.

No Contest In The Election of a Board of Trustees.

The Pembroke city election resulted in the election of the following trustees without opposition. W. H. Jones, E. B. Ledford, Q. F. Combs, J. H. Pendleton and H. H. Chapman. John H. Rose was elected Police Judge, receiving 125 votes, to 66 for E. U. Bland and 7 for H. L. Trice.

J. E. Jackson was re-elected Marshall by 157 votes, T. A. Hamilton received 29 and J. A. Payne 13.

Election Pickups.

D. H. Hatler was elected Mayor of Franklin by 1 vote over W. H. Arnold.

Madisonville elected 4 Democratic and 2 Republican councilmen. The Democrats are Geo. M. Davis, Dayton Cooke, P. B. Riss and L. E. Ruby. Republicans A. D. Melton and J. H. Fox.

The unofficial returns for circuit judge in Kenton county gave the result as a tie between Snaw, Rep., and Tracey, Dem.

Orville Stivers Dem. was elected school superintendent, of Jefferson county by 835 votes.

Henderson.

Dr. W. Irving Thompson, Republican, was elected Mayor of Henderson by 35 votes over Powell Taylor, the nearest of his three opponents. He was mayor from 1897 to 1901. The

total vote was 2279. Other officers elected were:

More Tobacco Litigation.

Suit was filed in the Circuit Court at Lexington by G. W. McMillan and thirty-two other men against the Burley Tobacco Society, Clarence LeBus, G. A. Brooks, J. M. Pank, the Clark County National Bank, Citizens' National Bank, and People's State Bank, asking for a receiver. The plaintiffs allege they pooled their tobacco in 1906 and also in 1907 under the agreement that when a fixed price was obtained for their tobacco, proceeds were to be divided pro rata among the respective interests, less necessary expenses of handling the crop, and that they did not receive all they were entitled to collect.

Ptomaine Poisoning.

With one Southern college closed, the student body of another all but depleted and the work of a third seriously impaired by the simultaneous appearance in these institutions of a strange malady apparently of an epidemic nature, which for a time baffled physicians, but which is now—in two of these schools, at least—declared to be ptomaine poisoning, due to the eating of impure Western meats, a serious situation has developed for the consideration of the Federal and State pure food authorities. At the Georgia Military Academy 40 cadets are ill. The LaGrange Female College, Ga., has but 60 of 200 students left and the Athens, Ala., Female College with 160 pupils has closed. Boneless ham is the supposed cause. There have been no deaths.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's Vegetable Compound

Louisville, Ky.—"Lydia E. Pinkham's Vegetable Compound has certainly done me a world of good and I cannot praise it enough. I suffered from irregularities, dizziness, nervousness, and a severe female trouble. Lydia E. Pinkham's Vegetable Compound has restored me to perfect health and kept me from the operating table. I will never be without this medicine in the house."—Mrs. SAMUEL LEE, 3523 Fourth St., Louisville, Ky.

Another Operation Avoided.
Adrian, Ga.—"I suffered untold misery from female troubles, and my doctor said an operation was my only chance, and I dreaded it almost as much as death. Lydia E. Pinkham's Vegetable Compound completely cured me without an operation."—LENA V. HENRY, R. F. D. 3.

Thirty years of unparalleled success confirms the power of Lydia E. Pinkham's Vegetable Compound to cure female diseases. The great volume of unsolicited testimony constantly pouring in proves conclusively that Lydia E. Pinkham's Vegetable Compound is a remarkable remedy for those distressing feminine ills from which so many women suffer.

Mama's Little Girl.

Miss Meda Wilhoite, of Louisville, claims to be the largest woman in the world. She is only 16 years old and weighs 525 pounds. She is five feet and four inches in height and measures the same in the waist. It is remarkable that her feet are small enough to wear No. 3 shoes. Her father and mother are of medium weight, the father weighing 145 pounds and the mother 175 pounds.

Webster.

Dixon, Ky., Nov. 5.—All Democratic nominees were elected by majorities ranging from 350 to 500 votes. J. F. Porter for representative leads the ticket by something over 500 votes.
